

UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF CALIFORNIA

O.Z. MARTIN,

Plaintiff,

v.

PETRAS, et al.,

Defendants.

No. 2:20-cv-1536 WBS CKD P

ORDER

Plaintiff has filed a motion in which plaintiff seeks permission to submit a declaration that exceeds 20 pages in support of his opposition to defendants' motions for summary judgment. Because the court did not impose a page limitation with respect to a declaration in support of a summary judgment brief, the motion (ECF No. 95) is denied as unnecessary.
